MARINER

A marled olive tweed woven with subtle flecks of earthy greens and browns forms the base of our new season Mariner tweed. Denim blue and gazelle overchecks add depth for a refined contrast.

REED

Sporting tweed Reed combines a gently marled olive-blue base with a striking windowpane check in rich burnt ember and scarlet, reminiscent of the warm tones of autumn leaves.

SAGE

Sage is a collection classic. Reflecting the flowing green hues of the English countryside, a bold cherry red overcheck runs through the softly marled timeless tweed.

TEAK

The marled olive-brown herringbone tweed is beautifully accented with overchecks in rich cherry red and soft gold for a contemporary rustic look.

REGULAR FIT – Building into garment 4" to 7" (10cm to 18cm) from actual chest size to allow layering.
